

ACH POSITIVE PAY EXCEPTION HANDLING GUIDE

1. Log in to Digital Banking.

2. Select Positive Pay from the Quick Links widget.

*You may need to enable pop-ups in your browser in order to launch the Positive Pay window.

3. Select Exception Processing.

The screenshot shows a sidebar menu with 'Exception Processing' selected. The main content area displays a table titled 'Decisions Needed (1)' with a total amount of \$22.10.

Decisions Needed (1)		\$22.10
ABC COMPANY	UNAUTHORIZED ACH TRANSACTION	\$22.10
Decided (0)		\$0.00
Total (1)		\$22.10

There is 1 exception to review.

Exceptions will be given a decision of **Return** if decisions are not made by 12:00 PM Central Time (US & Canada).

4. Select each ACH item in the Decisions Needed list and choose the Pay or Return button. If you select “Return”, also select a Return Reason Code. Click Save.

To add the item to your authorized list:

- Select the Add Rule button and complete the Description, select All SEC codes, Select Debits Only, Enter a Max Allowable Amount and Save Rule.

The screenshot shows the 'Add ACH authorization rule' form with the following fields:

- Description: (empty text field)
- SEC Code: All SEC codes (dropdown menu)
- Company ID: 12345678 (text field)
- Debits or Credits: Debits only (dropdown menu)
- Max Allowable Amount: (empty text field)
- Buttons: Cancel and Save rule

To increase your max allowable amount for an existing rule, Select ACH Authorization Rules, select the menu button next to the rule you wish to change, and select Edit record.
